

# EVENTS CALENDAR

The children and youth of New Orleans deserve lives filled with positive experiences and healthy relationships simply because they are our children and youth, worthy of our collective best. The Youth Master Plan will apply the positive youth development framework and an equity lens, ensuring its design and implementation sets a path for every youth to have access to what they need to be successful. In return, our children and youth can become change agents who continuously improve New Orleans.

**All meetings & events for the remainder of 2020 will take place virtually.**
