Attendance expectations per bylaws:

- Board Meetings

All board members are expected to attend at least 70% of the board meetings scheduled during the calendar year. This can be achieved by attending a minimum of 8 of 11 meetings.

- Quorum

Attendance matters, as it informs our ability to achieve a quorum and move actions/decisions forward. A quorum is the minimum number of members of CYPB that must be present at any of its meetings to

make the proceedings of the meeting valid. The minimum number of members present to make a quorum currently for CYPB is **10+ members in good standing**.

Note that all CYPB meetings have been moved to the ZOOM format for at least the first quarter of 2022, so attendance is virtual. These arrangements have been made available for the safety and convenience of members, and as an aide to improve and sustain attendance.

Attendance format is subject to change after the first quarter of 2022, based on the conditions of COVID-19 and its impacts in our environment.
