**MENTORS!**

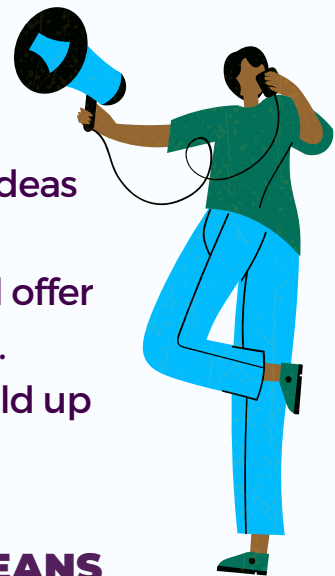

**Revolutionary Researchers**, a 10-month paid research training is launching in New Orleans December 2022. Youth (16-24 years) will lead community change through a peer-to-peer project, guided by research experts and supportive mentors.

## **APPLY TO MENTOR YOUTH RESEARCHERS!**

We are seeking **youth-allied adults** (ages 25+) to hold collaborative and communicative relationships with youth changemakers by:

- **encouraging, cheerleading, and championing** ideas and progress through 10-month project.
- **co-creating solutions** to address challenges and offer affirmative redirection/reframing where needed.
- **supporting prep and providing feedback** to build up leadership and ensure project success.
